## Mission Statement

Our mission at the Triple B is to highlight the Lord's desire to see families live together as a spiritual unit. In which each member has a personal relationship with Him. Our ministry is to provide personal examples of caring through superb guest services, fun-filled, healthy, safe, and challenging experiences for guests of all ages, and to provide a unique mountain setting where we can escape the pressures and chaos of society to "be still" and listen to God speak.

## Vision Statement

Our vision is that Triple B guests, of all ages, enjoy a fun-filled atmosphere of choices that include total relaxation, spiritual reflection, or numerous exciting recreation activities that can challenge even the most energetic. Our products and services are the best value in the country.

This is accomplished thanks to a caring, well-prepared, energetic staff who's primary focus is to be sure our guest's expectations are met or exceeded --- be these physical, emotional, or spiritual --- and, the liberal utilization Triple B's wonderfully natural and rustic beauty that our creator has so thoughtfully provided for our guest's delight.
